Woodland Civic Association, Inc.

OUR 70TH YEAR!!!

September 2026

Hi Everyone!

We hope you can attend our meeting on October 21, 7 pm, at the firehouse at 930 Conklin Street in Farmingdale! Your board has been very busy in the past year advocating for our neighborhood. We would love to give you the details on our progress regarding:

- Noise and lights on the SUNY athletic field
- Development plans for almost 60 acres at Republic Airport
- Melville Overlay - potential construction of almost 2,000 apartments at the Huntington Quadrangle area that could affect our school taxes
- Farmingdale Overlay – potential construction of almost 1,900 apartments next to the railroad tracks and behind the Multiplex Movie Theater at the Airport Plaza
- Truck traffic on Melville Road
- Acadia traffic study for the intersections of both Melville Road and Route 110, and Conklin Street and Route 110
- Temporary closure of Runway 1/19 at the airport
- Jessica Ward appointed to the Republic Airport Commission
- Newsday TV segment and interview regarding development at the Airport Plaza
- Shoveling sidewalks
- Incorporated Village of Farmingdale grant and plans to build a performance center on the parking lot behind The Lofts
- Op-Ed published in Newsday in May of 2026 regarding airport noise.
- Signage from Gym Guyz posted around the neighborhood

In addition, this year we will have a guest speaker. Tom Joseph, with over 40 years of experience with the East Farmingdale Fire Department, will be speaking about holiday fire safety. He will also answer any other fire safety questions you may have.

We welcome any other comments or problems raised that we might be able to help with, and will send a meeting reminder email a week before the meeting.

For updates on our activities throughout the year and notifications of events and issues affecting our community, our website can be viewed at woodlandcivicassoc.com (**NOT** woodlandcivicassociation.com - that is another group in New Jersey). Please share our email, woodlandcivicassoc@gmail.com with any of your neighbors that might like to be added to our email list.

PLEASE JOIN US! We work hard all year for our neighborhood. It costs only $10 to become a voting member of our civic association, and helps us defray website, internet and administrative expenses that keep you informed. Thank you!

Membership is open to all Suffolk County, East Farmingdale homeowners that live in the Half Hollow Hills school district.
